Re: TARPAC FEC ID # C00006685
Amended July Monthly Report (06/01/04-06/30/04), received 2/25/05;
Amended 30 Day Post General Report (10/14/04-11/22/04), received 2/25/05

Dear Mr. Morse:

This is in response to the Commission's April 1, 2005 letter regarding TARPAC's 2004 Amended July Monthly Report and Amended 30 Day Post General Report.

In your letter, you address the disclosure of additional receipts that were not disclosed on the original reports. In our letter accompanying the amended filings (dated February 25, 2005), TARPAC addressed the need for the amended filings. Language from that letter reads:

In addition to responding to the Commission's letter, TARPAC wishes to bring to the Commission's attention further changes contained in the amended filings.

During our process of preparing the 2004 year-end filing, we discovered individual donor omissions that dated back to previous filings. These omissions occurred in part by error in our compliance software, and also as a result of a staffing change in TARPAC administration. Since making this discovery, we have worked expeditiously to make the appropriate corrections. We have previously brought this matter to the attention of the Reports Analysis Division verbally, and now formally submit amended returns.

(TARPAC 2/25/05 letter to the Commission)

Please feel free to call a TARPAC contact should you have any questions or if we may provide further information (202-429-5301).

Sincerely,

John S. Orlando
Treasurer, TARPAC
